

## August 2019 Bulletin

### Welcome

Harvest started very well with Winter barley and straw mostly got in great conditions. Unfortunately a more normal broken weather pattern has returned so do make good use of the weather windows as they arrive and get extra help through the Ring.

We always run short of skilled labour at this time of year so please tell us the moment you are free and we should be able to get you a job. If you run short of Net, Wrap or Baler Twine remember that we stock it and can give you it at short notice - at great prices too.

Our new Website is now live [www.tayforth.co.uk](http://www.tayforth.co.uk) with lots of pictures of Members doing jobs - if you have any good pictures of your equipment working then please e-mail them to [bruce@tayforth.co.uk](mailto:bruce@tayforth.co.uk) and we may put them on the site.

***Whatever you need for your business - Ring the Ring.***

### Straw

As always we will trade a large volume of straw this year so if you are going to have any available in the bout or baled then let us know so we can arrange a buyer and transport. Equally if you need straw please tell us as we can always source it.

Our revised recommended price this harvest, based on the high yields, has dropped slightly from last month to £45/t for Barley in the bout.

Wheat at £40/t depending on supply. Add £15-20/t for baling, carting & loading.

DO NOT SELL PER ACRE AS YIELDS ARE HIGH

## High Moisture Barley Wanted

We have a buyer for a large tonnage of 30% barley in Fife. If you harvest your Spring Barley this wet and are worried about the drying cost give us a ring and we can get a good price for you as it is.

## Boiler Service - Oil & Biomass

Summer domestic Oil Boiler service special offer £67

We also have a new Member who specializes in servicing Biomass boilers up to 500 KW. Prices start at an unbelievable £225 - phone for more details.

## Woodland Required

**Children's charity looking to purchase/lease approximately 5-10 acres of woodland in Fife. Reasonable access. Please contact Maria at [info@naturesnook.co.uk](mailto:info@naturesnook.co.uk) or 07745 045 020 [www.naturesnook.co.uk](http://www.naturesnook.co.uk)**

## Me and my Case Photo Competition

We have not had many entries yet for the photo competition with the best entrant receiving 2 tickets to the Rugby Six Nations 2020. If you want to enter simply send in a photo of you or a member of your family with a Case or Case IH product to [bruce@tayforth.co.uk](mailto:bruce@tayforth.co.uk) . This can be a new Combine or even a vintage tractor. The Winner will be decided at Agriscot 2019.
